# MAXIMIZE YOUR INVESTMENT

You know the Value of investing in Tidel's industry-leading Cash Management Systems (CMS) for your business.

Consider the ways you can maximize your Return On Investment.

- Why use your cash or bank/credit lines to purchase equipment when a smarter use is to grow your business?
- Use the equipment while it pays for itself through increased cash flow and/or savings

Tidel Capital Services is Your Best Solution and here's why...

## WITH TIDEL CAPITAL SERVICES, YOU:

- ✓ Protect borrowing capacity, since blanket UCCs aren't required on assets
- ✓ Pay for CMS with partial monthly savings it creates to maximize your ROI
- ✓ Have options to secure financing with capital, true, and/or operating expense treatment
- ✓ Secure 100% financing with no out-of-pocket funds up front for all equipment and soft costs
- ✓ Preserve cash/credit for growth opportunities with greater ROI
- ✓ Receive financing that is tailored to meet your exact budget/cash flow requirements
- ✓ Roll out equipment over time at a pace that matches your resources
